

Senior Project Manager - Design

Interform Commercial Interiors, a well established East Bay Design firm for over 26 years is currently accepting applicants for a Senior Project Manager for the Design Department.

The successful candidate must have 10+ years experience in Corporate Office Interior Design/Space Planning and Tenant Improvement project work in the East Bay. Must have experience managing projects from start-to-finish while being responsible for the scope, budget and schedules. Able to work efficiently with a team and utilize resources on multiple fast-paced projects. Expected to negotiate and work effectively with jurisdictions to obtain permits. Focus on Customer/Client satisfaction is paramount.

Licensed Architect a plus but, not required.
CAD proficiency a plus but, not required.
Excellent communication skills are critical.

Salary commensurate with experience. Interform is proud to offer a robust benefit plan including 100% of employee health care premiums, Section 125, H.S.A., and 20% match on 401(k) contributions to name a few.

Please forward all resumes and cover letters to jobs@interform.com.
(No phone calls, please.)
